[] Please send me an invitation to join the Founders' Society.

The Founders' Society is a special group of supporters who have remembered the North Shore Heart Research Foundation in their Will. Members receive:

- a personalised certificate
- invitations to special events where you can meet other members
- regular copies of our *Take Heart* newsletter
- recognition, if desired, in the Foundation's publications.

Comments/questions _____

Thank you

for your interest in providing for the North Shore Heart Research Foundation in your Will.

Our researchers are urgently seeking better ways to treat and prevent heart disease. A bequest could mean a brighter future for the thousands of Australians now at risk.

Everyone who gives to the Foundation automatically joins our Family of Supporters. We will mail you our *Take Heart* newsletter free, three times a year, and other regular information about our work.
